

ID	User Story	Sprint Number	Story Priority
1	As a user, I want to be able to select a character that matches my personality so that I can feel like I am a part of the game.		Medium
2	As a user I want to be able to see what all the potential moves are for each round so that I can know where to go without knowing the rules.		Medium
3	As a user I want to be able to receive character power ups so that gameplay can vary from match to match.		Low
4	As a user I want to be able to see what my previous scores were so that I can be notified when I make a new high score.		Low
5	As a user I want to be able to set my font size so that I can see the wordings more clearly if they are too small.		Low
6	As a user I want to be able to play the game on my mobile phone so that I can play the game while I am traveling as a passenger to school.		High
7	As a user I want to be able to use the device of my preference so that I can play the game no matter where I am.		High
8	As a user I want to be able to save a game setting on one device and persist it on all my other devices so that I don't have to set the game setting each time I play from a different device.		Low
9	As a user I want to be able to see whose turn it is to play so that I am aware when I should attempt my turn on the board.		Medium
10	As a user I want to be able to see the scores of the other plays in addition to mine so that I can be aware of if I am winning or losing and by how much.		High
11	As a user I want to hear a sound so that I will know it is my turn when I am not paying attention.		Low
12	As a user I want to be able to select a board theme so that I can change up the look when one gets old.		Low
13	As a user I want to be able to time my matches so that I can know how fast I won/lost.		Low
14	As a user I want the ability to forfeit so that I can get into another game faster		Medium
15	As a user I want the option to play on bigger/smaller boards so that the game can be played with different paces.		Low
16	As a user I want the ability to make tournament lobbies so that I can make tournaments for my friends.		Low
17	As a user I want an ELO ladder so that I can see how I perform against other players.		Low
18	As a user I want a downloadable game log so that I can review it later.		Low
19	As a user I want an indicator to highlight each player's most recent move so that I can strategize even if I look away.		High
20	As a user I want shareable links so that I can send them to my friends.		High
21	As a user I want a chat feature so that I can communicate with the other players.		High

22	As a user I want people who take too long to make a move to be skipped so that the game doesn't stop.	High
23	As a user I want unlockable content so that I can feel like there's a goal.	Low
24	As a user I want an interactive tutorial so that I can pick up the game easier.	Medium
25	As a player I want to be able to host custom games of Squared with custom rules (i.e., time allotted per turn, size of game board, etc.) so that I can add variety to the game.	Medium
26	As a player I want the option to spectate ongoing games of Squared so that I can observe other player's strategies and enjoy the game even when I'm not playing it.	Low
27	As a player I want the ability to customize the layout and positioning of the game board, chat and other features relative to one another so that I can observe the game in a way that is comfortable and convenient for me.	Low
28	As an online player I want a rematch button so that I can immediately start another game with the same opponent.	Medium
29	As a competitive player I want the ability to record matches so that I can review my gameplay.	Low
30	As an online player I want the ability to save chat logs made during gameplay so that I can look over messages sent to me by other players after I've finished playing with them.	Low
